Department of Computer Engineering & Information Technology

- ➢ A COM'e'IT, an informal association for students from Department of Computer and Department of Information Technology .
- ➢ For the Academic year 2022-2023, COM'e'IT has organized Wall Magazine inauguration event, on 11th November 2022. Inauguration was done by Mr. V. G. Tambe, Head of Civil Engineering Department and In-charge Principal for the day and Mrs. M. U. Kokate, Head of Department, Information Technology as well as all the faculties from Computer and Information Technology department. Both departments are having separate Wall Magazine space for showcasing students talents. Students have submitted drawings, sketches, photographs, poems, quilling art etc., Following two sections are added to provide the platform towards enhancement of students professional skills.

   - ✓ Write-up and Poetry section
   - ✓ Newsletter section – Recent News related to technologies and advancements

- Wall magazine section of display boards is functional throughout the academic year and the activity is coordinated by students from COM'e'IT. and mentored by Mrs. M. U. Kokate, Head of Department (Computer and I.T.) and COM'e'IT. In-charges. Mrs. Megha Yawalkar, Mrs. Priya Zade (Lect. in Computer Deptt.), Mrs. Anjali B. Bhusagare (Lect. in I.T. Deptt.)
- Various competitions has been planned and organized under COM'e'IT. Total three rounds were included in Chess competition and from each round students are shortlisted.
